Accessible Technology Incubator Austria

We seek **passionate** and **ambitious** start-ups from Austria, Europe and beyond, to increase the availability of **assistive or accessible products** with a benefit for **people with disabilities**. Let us help you to establish your business within Austria and the European Market.

We offer a deep knowledge of the market and relevant stakeholders and insights in the legal and regulatory framework in Austria and Europe.

You should be able to demonstrate:

- ✓ Clear Concept and vision
- ✓ Benefits to people with disabilities
- ✓ Market Potential & Business Case
- ✓ Innovation & Added Value
- ✓ Intellectual Property rights
- ✓ Sufficient Investment/funding
- ✓ Readiness of technology
- ✓ Entrepreneurship
- ✓ Technical and business skills

Let's talk. Apply now with your idea:

David Banes
